Survey of School Bus Taken 2018-2019

Since school will be relocated to Sham Shui Po in the next school year, we would like to collect data of school bus service. Information is being collected on whether students will travel by school buses in the coming year (2018-2019). Parents are kindly requested to complete the following reply and return it to the class teacher. This survey is of great reference value for us to understand the needs of students.

Please return the following reply slip on or before 13th June, 2018 (Wednesday). For enquiries, please contact Ms Leung Yuet Ha or General Office at 2393 0119.

Yours faithfully,

(Ms Leung Wun Kam)
Principal
