

C.C.C. MONGKOK CHURCH KAI OI SCHOOL
CIRCULAR NO.18/263E

To: All Parents / Guardian

Date: 4/7/2019

Special announcement

School believe that recent social and political issues in Hong Kong did touch the heart of every of us, including school staff, parents and students.

School always concern about our students whether they may be affected by the above issues. We always encourage students to think in different aspects and accept different opinions. School staffs including educational psychologist, teachers and school social workers will be aware of students' emotional reaction, as well as providing suitable support, in order to eliminate their doubts.

It is suggested that parents may take proper care of students and maintain communication with them. For any enquiries, please contact our school social workers at 2393 0119.

Parents-school collaboration is important, we hope our students can learn and grow in harmony.

Yours faithfully,

(Ms Leung Wun Kam)
Principal
