Date: 18/7/2019

School Bus Service Arrangement

If your child needs school bus service during the year, parents are advised to pay attention to the following matters:

About School Bus Service:

- (a) In case of absence from sickness, please inform the nanny or the driver as soon as possible.
- (b) Please be punctual for catching school bus. Parents are responsible for taking students back to school in case of lateness in the morning or picking up students at school campus in the afternoon.
- (c) If the parents do not arrive at the station on time, the student will be back to the school and the parents will need to pick up the student at school.
- (d) Parents are required to pay the next month's fare by cheque or ATM before the 30th of each month, and directly hand over the cheque and receipt to the nanny. The school bus fare (from September to July) will be counted on monthly basis. The school bus company will not accept students who temporarily terminate the school bus service without acceptable reason during the school year (school bus fare of previous month would be charged when hiring the service again).
 - Cheque : On Ki Transportation Company Ltd.
 - Bank Of China : 012-890-0009-8644 (On Ki Transportation Company Ltd.)
- (d) School's role on arranging the school bus is only limited to ensuring provision of service, no benefit would be obtained from the tendering. Parents are welcome to choose any other school bus company if necessary.

- Remarks: i) If your child's returning school arrangements have changed, please inform the school as soon as possible.
- ii) Please refer to the attachment of 2019-20 the routes and bus fee.

For enquiries, please contact Ms Leung Yuet Ha at 2393 0119.

Yours faithfully,

(Ms Leung Wun Kam)
Principal
