CIRCULAR NO. 19/181E

Date: 14/02/2020

Deferral of class resumption

To all parents / guardians :

Secretary of Education Bureau has announced that all schools would further defer class resumption for two weeks, that is, school would resume classes on 16 March 2020 the earliest. EDB strongly appeal to students to avoid going to crowded places in order to reduce the risk of being infected. No matter where students are staying, they have to step up the preventive measures, pay close attention to their health conditions, and consult doctors at once if feeling unwell.

As the deferral of class resumption, school has the following arrangement:

- School remains open, staff has been arranged for taking care of students who have to go back to school for lack of carer at home. However, in case of students are sick, they are highly recommended to stay at home and take rest.
- E-learning will be launched from 19 February. Students are encouraged to surf school intranet 'e-class' and use computer devices for e-learning. (Please refer to student login and password in students' handbooks, manual of using e-class can be referred in school webpage. For further inquiry, please contact school office.)
- Sports Day on 18 March will be cancelled due to the novel coronavirus epidemic.
- Study Trip of senior form students has been postponed to end of June.
- As destination of study trip for junior secondary students is Mainland China, so the trip will be cancelled this year. Further arrangement will be made later on.
- Parents Day scheduled on 27 February will be postponed and to be announced after EDB's further announcement on the date of classes resumption.

Parents are recommended to study all the points highlighted above. Please pay close attention to the post in school webpage or intranet e-class for updated information of EDB or school announcement.

For enquiries, please contact school office at 2393 0119.

Yours faithfully,

(Ms Leung Wun Kam)
Principal
